

Reproductive Health Alliance - Dues Invoice

The Reproductive Health Alliance (RHA) is a 501c4 organization whose mission is **to guarantee access to reproductive health care in Minnesota**

What does RHA membership mean?

- Be a part of the ONLY advocacy organization in Minnesota exclusively dedicated to educating legislators about, and advocating for, reproductive health access!
- In 2014 RHA successfully preserved the Minnesota Family Planning Program and secured legislative authorization to make it a permanent part of expanded Medicaid, held meetings with the Department of Health, Department of Human Services and the Governor’s office regarding the important of the reproductive health safety net.
- **Your membership in 2015 will provide you with inside information on the critical work being done to preserve family planning and reproductive health access in Minnesota, as well as connect you to a wide network of family planning providers, advocates, leaders and community activists.**
- Additionally, as an organizational member you help inform our strategy & advocacy priorities. As an RHA member you will be kept informed through email blasts, lobbyist reports, meetings, and have the opportunity to contribute and participate in this crucial work. You also can vote annually for the RHA Board of Directors. Only paid members will be able to vote for the Board of Directors. The Board of Directors meets monthly. Meetings are open to all RHA members to review legislative developments, receive lobbyist updates, discuss challenges, and share resources.
